MERSEYSIDE'S LARGEST DISTRIBUTION / PRODUCTION UNIT WITH EXCELLENT ACCESS TO THE M53

Arc 500 is a 497,201 sq ft speculative industrial / distribution facility, ideal for large scale logistics operations, seeking an established location with excellent access to the M53 and Port of Liverpool.

Arc 500 occupies a prominent position on Campbeltown Road off New Chester Road (A41), next to the world renowned ship builder Cammell Laird.

The facility is strategically situated 3.2 miles from the Kingsway Tunnel which sees an average of 45,000 vehicles passing through daily and just 3.5 miles from the M53 J3 providing access to the broader national motorway network.

HOUSEHOLDS

OPTIMISED SUPPLY CHAIN & ECONOMIC OPPORTUNITIES

Arc 500 offers businesses access to a strong and readily available workforce and is located within the Liverpool City Region Freeport Zone, which brings multiple benefits to occupiers.

Duty suspension - goods moving in to an approved customs site will benefit from duty and VAT suspension until they enter the UK domestic market.

Duty inversion - ability to calculate the import duties based on the value of inputs or finished goods.

Movement by conduct - goods can move between other UK Freeports within UK by conduct.

Simplification - all covered by a single authorisation meaning less contact with HMRC.

Unlimited storage periods - no time limit for storing goods.

There are 8 Freeports in England and 2 in Scotland.

Duty exemption - duty exemption for re-exports.
